ESTATE SERIES
ULTRA PREMIUM WINE KIT

Selection Estate Wine Series, our ultra-premium wine kit has redefined the winemaking product landscape by offering a limited number of prestigious wine styles sourced from select vineyards in the world's great wine producing regions. **Selection Estate Wine Series** showcases the finest 100% pure varietal grape juice and concentrate with no sugars added, creating wines of superior flavour, aroma and complexity.

OREGON YAMHILL COUNTY PINOT NOIR

Appellation: Yamhill County, Willamette Valley, Oregon, USA.

Style: Recognized for centuries as the Queen of grapes, Pinot Noir makes the old world's most sought-after (and expensive wines). But in Oregon, Pinot Noir is making exciting new wines, and Yamhill County, poised between the cooling Pacific breezes to the west and the Willamette River to the east, makes some of the best.

This remarkable wine creates a lasting impression on the palate and in the memory. Intense ripe-grape, mint, raspberry and black cherry aromas, along with smoky yet elusive oak make this a medium-bodied and rich wine. High in alcohol, it has intense flavour despite its delicacy. Like liquid silk, gently caressing the palate, the refined tannins are compelling, yet rounded.

The intense varietal character is brilliantly expressed by our unique strain of yeast, which allows the true fruit to shine through this highly focused and delicious wine.

Harvest Conditions: pH 3.50, Brix 22.5°, T.A. 5.00 g/l

Similar Styles: Domaine des Brumes™, Selection Pinot Noir

Food Pairings: Roast beef (classic pairing), Coq au Vin, Boeuf Bourguignon, lamb, pheasant, duck, salmon, braised root vegetables, and cassoulet. Best for simply spiced (but rich) foods that won't mask the wine's flavours.

Sweetness Code: 0 (completely dry)

Alcohol by Volume: 12.0%—12.5%

Oak: Toasted American Oak

Ageing: While tempting to drink young, this wine will only begin to show its velvety tannin and rich fruit after three months—ageing for at least a year will release its magnificent potential.
